

Summer Snowshoe Walks Starting June 18th

Special Summer Snowshoe Walks

Join a Park Ranger for a memorable experience on the snow, learning about Crater Lake. Thanks to an above average winter, we have enough snow to continue offering Ranger led snowshoe walks.

Starting Saturday, June 18, Crater Lake National Park will offer ranger-led snowshoe walks twice daily. The walks begin at 11AM and 2PM and lasting 45-60 minutes. They are open to the public, but sign-up is required. Sign up in person at the Rim Village Visitor Center, located between the Rim Village Café and the Crater Lake Lodge. The walk is first-come, first-serve and limited to 25 people. Snowshoes are provided free of charge.
